I AM A SENIOR

I am the end product of twelve years of extensive education.  
I have tasted the sweetness of success, and choked on the bitterness of failure.  
I am involved in my school.  
I participate in its government and that of my class.  
I AM A SENIOR!!

My goals are high, and I give my all to attain them.  
I am respected, admired, and hated for breaking the lunch line.  
Who am I?  
I AM A SENIOR.

I uphold my reputation and that of my school.  
At school functions; I set a good example.  
I have spirit.  
I always yell the loudest for our teams, and support my school by supporting them.  
I am concerned;  
No matter how trivial or major, I always care about the decisions that are made.  
I am wise, but foolish.  
I AM A SENIOR.

I wear my ring with pride and distinction for it symbolizes my success.  
It sets me apart from others saying, "Look at me - I AM A SENIOR!"

I am the pride of the past and the hope of the future.  
I am a representation of today's youth.  
I am proud of what I am.  
I AM A SENIOR !
